

# How to start a GenJ Club

**CHECK OFF THE STEPS AS YOU GO!**

- ☐ First, you'll need 5 founding members to start a Club. They all need to be active GenJ members.
- ☐ Next, fill out the Club Application Form and the Adult Sponsor Form [online here](#).
- ☐ Once you receive your official Club charter in the mail, your Club can start meeting and gathering new members.

## Congrats on starting a new GenJ Club!
