

iAdvocate

Congress Simulation

Overview

- iAdvocate simulates what a legislator encounters when he or she drafts and advocates for legislation.
- Students begin by drafting legislation in a small committee, and progress to an official legislative session where they have the chance to debate and vote on their legislation.
- Students must choose between competing priorities, personal legislative goals, party goals, and professional agreements made with other participants.

Learning Objectives

- United States Congress
- Limited Government
- Drafting Legislation
- Importance of Teamwork
- Civic Responsibility
- Public Speaking
- Responsible Use of Power
- Voting Process
- Hands-on Leadership

Teaching Methods

- Kinetic Simulation
- Immersive Learning
- Problem-based Learning
- Anchor-based Learning.
- Hands-on Leadership
