

Overview

- iObject puts students on the front lines of the judicial system by immersing them in a 1930s Chicago mafia case as a grand juror.
- Students question witnesses, examine the evidence, and learn about the standards of evidence required for an indictment.
- Students will determine if the prosecution has enough evidence to bring a suspect to trial or if the prosecution seems to be targeting an innocent man.

Learning Objectives

- | | |
|---|-----------------------------|
| • United States Judicial System | • Factual Analysis |
| • The Constraints of Limited Government | • Purpose of the Grand Jury |
| • Importance of Teamwork | • Hands-on Leadership |
| • Civic Responsibility | • Christian Worldview |
| | • Value of Truth |

Teaching Methods

- Kinetic Simulation
- Immersive Learning
- Problem-based Learning
- Anchor-based Learning.
- Hands-on Leadership
